ABOUT THIS FONT

Gabriella is a wide, emotional and striking typeface. Its extreme shapes and super heavy weight make her hard to miss, yet full of character and gifted with a special charm. A strong and modern design that will make no message go unheard.

In “The Little Mermaid”, Gabriella was Ariel’s deaf Latina friend who loved to dance. Gabriella rendered a great lesson of inclusiveness for people with disabilities and minorities. With this typeface Gabriella continues to speak up, sing and dance.
